What is at Stake in the Coming Contest.

From Our Own Reporter.

The grand political campaign of 1868 was formally opened at Fort Wayne, Ind., on the 21st inst., by a mass meeting of the Democracy of that city.

The meeting was called to order by Hon. Allen Hamilton, who, on motion of Hon. Jesse D. Bright, was elected President, with a long list of Vice-Presidents and Secretaries.

The President announced as the first speaker of the evening Hon. E. A. Storrs, of Chicago, who was received with three cheers and a tiger.

Mr. Storrs said: Mr. President, Ladies and Gentlemen: I am not here to-night to make a political speech. I am here to-night to meet my friends, and to say a few words to them in regard to the issues of the present campaign

Coe's Dyspepsia Cure.

You will see how soon it will dispel your sad forebodings and gloomy forebodings. How soon it will chase away the spectre of Dyspepsia. How soon it will give you new life and vigor, and how soon it will make a well man or woman of you. For your own sake, for the sake of everybody suffering, we beg, we entreat you to try it.

For Liver Complaint and Bilious Derangements

it is unrivaled, and for Fever and Ague and all that disease which are generated in a malarious climate, it is a certain preventive and cure.

That its wonderful medicinal virtues may not stand alone upon our statement, we append a few unsolicited testimonials from those whose position in society and reputation as citizens will place their evidence beyond all question, and carry with them strength and conviction to the most incredulous.

Mr. Lester Sexton, a wholesale merchant of Milwaukee, one of the most reliable and careful men in the State, says, under date:

MILWAUKEE, WIS., Jan. 26, 1870.

Messrs. C. G. Coes & Co., New Haven, Conn.

Both myself and wife have used Coe's Dyspepsia Cure, and it has proved perfectly satisfactory as a remedy. I take no hesitation in saying that we have received great benefit from its use.

Very respectfully,

(Signed) LESTER SEXTON.

From Rev. L. P. Weed, Avon, Lorain Co., O.

Messrs. Strong & Alverson:

Gentlemen—It gives me great pleasure to state that my wife has derived great benefit from the use of Coe's Dyspepsia Cure. She has been for a number of years greatly troubled with Dyspepsia, accompanied with violent paroxysms of constipation, which so prostrated her that she was all the while for months unable to do anything. She took, at your instance, Coe's Dyspepsia Cure, and has derived GREAT BENEFIT THEREBY, and is now comparatively well. She regards the medicine of a great blessing.

Truly yours, L. P. WEED.

January 25, 1869.

From Rev. Isaac Allen, Allentown, Pa.

Joseph Fleming, Druggist, N. Hallowell, Philadelphia:

Sir—I take great pleasure in stating that, after having suffered from dyspepsia for about fifteen years, at times periods much more than others, I have been entirely cured by the use of Coe's Dyspepsia Cure. My friends know that of late years my case has been an extreme one. I had great suffering from eating any kind of food, and on average would vomit about one-third of my meals in a week, independent of the return of the Chorea. Hyrtan was continued by all, even physicians, as marvellous, that for a time it was feared it would be permanent; but I can now say with contentment that I have been not merely relieved, but permanently cured, that I can consider myself a humanitarian Coe's Dyspepsia Cure to all who think of Dyspepsia.

CONCLUSIVE EVIDENCE.

New Haven, Conn., June 1, 1869.

Messrs. C. G. Coe & Co.:

Gentlemen—Before sending from the great benefit derived, to others in spreading the fame of Coe's Dyspepsia Cure, I would state my case. Something over a year ago, I had a violent attack of Diarrhœa, which lasted eight weeks, during which time I employed three physicians, but without relief, until I tried Coe's Dyspepsia Cure. The first dose helped me; I took it three times a day for a week, and was entirely cured; and I believe to-day that it saved my life. Being situated in a similar way this season, I took the same, which has not failed. I would advise every family to keep it on hand ready for diarrhœa, in case of Summer or Bowel Complaints.

C. BUSH.

The above Mr. Bush is in our employ, and we can vouch for the above statement being true.

Dry Dollars.—Two bars, fine as silver, in small Liberal Kitchen, purchased and distributed as ordinary coin the private school vicinity of Sherman and Taylor streets. They were discovered in the act of buying eggs, a boy's marbles and a pocket-knife, and the proceeds of the sale of the eggs, marbles and knife were found in the pockets of the boy. The bars were taken to the Police Station, and the boy was released. The bars will be sent to the Mint, and if found to be genuine, the boy will be allowed to keep them.
